

Please complete the form and email to reservations@dinnerwithgayle.com

Design Information

Please provide us with the following information:

Company Information	
Company Name:	
Company Slogan:	
Contact Person:	
Phone Numbers - Cell & Landline:	
Email Address:	
In a few sentences, briefly describe your business including your products and services:	
Which market are you trying to reach? Let us know what you need your website to do for you:	
What pictures and colours would you like to see on your website:	

Website Information	
Do you have a domain registered already? (If yes, please specify URL and company who purchased the domain for you.)	
If not please list possible domains you would like to register (at least 3) and specify .co.za or .com or .com.au	
Are you wanting to host your website with dinnerwithgayle.com ?	

If hosting with us, which would you prefer – monthly or annual hosting?	
If you already have a domain with another company are you wanting to transfer the domain to dinnerwithgayle.com?	
Seen any sites that have caught your attention? Please specify so we can have an idea of what you are looking at achieving:	
Who is your target audience – specify ages and sexes.	
Do you have colours that you like us to stick to? Or even a specific theme?	
What feel would you like from the website? Conservative, professional, busy, colourful and vibrant etc:	
Do you want to use your website to market your business online? If so please tell us how you are planning to go about this:	
Do you need any additions to your website eg: newsletter modules, content management system, flash, shopping cart?	

Would you need an online enquiry form on your contacts page?	
Images can be supplied by yourself for the website, if you would like us to use our own database of images please specify what images you are wanting:	
If you favor any specific fonts please specify the name here:	
Needing a shopping cart? How many products roughly are you looking at adding to the system?	
How urgent is your web design project: When would you like your site completed by:	
How many pages so you think your site will require:	
What would you like the title of each page to be eg: home, gallery, contact us etc.	
Anything else we should know that was not covered:	

Notes:

Thank you for providing us with the all the info we need to make your web design project a success!

If you require any further information in order to help you complete the questionnaire, please do not hesitate to contact us.
